HARDWARE LIST

(E)	 35x17	8 pcs	Curved slotted washer
(F)	 5/16"X88mm	8 pcs	Threaded rod
(G)	 Ø 5/16"	1 pc	Wrench
(H)	 Ø 8 mm x 1 1/4"	4 pcs	Wood screw

ASSEMBLY INSTRUCTION

Note: Bed can be assembled by one person rather easily, but if two people are available it is a bit easier and the operation will require less preparation. The instructions are written assuming one person is assembling the bed.

- I. Place the headboard (A) upright in the position you wish the bed to be in when fully assembled. The headboard bedfast hardware should be facing the inside, toward the mattress. Secure the threaded rod (F) to the Headboard (A). Raise the Side rail (C) up and place the rod into the Side rail (C) at the bore holes' position, insert Curved slotted washer (E) and tighten hex nuts using wrench (G). Repeat the procedure with the other side rail end and Footboard (B).

2. Lay the slat roll (D) in between the side rails (C) and use wood screws (I) to fasten 2 end slats to the side rails with a screwdriver.
