IMPORTANT SAFETY INSTRUCTIONS:

For safety purposes, this sconce is equipped with a 2-pin polarized plug. If the plug does not fit securely into your outlet, do not force it - contact a professional electrician. Use the plug with an extension cord only if it can be fully inserted into the cord's socket. Never alter the plug in any way.

This fixture is designed for use with LED bulbs.

To avoid the risk of fire, do not change the lamp personally for use with any other bulbs.

WARNINGS:

All wires are connected. When unpacking, be careful not to pull wires as a bad connection may result. Do not connect electricity until your light is fully assembled.

Do not touch bulb when fixture is turned on or look directly at lit bulb.

Keep flammable materials away from lit bulb.

THIS IS NOT A TOY AND THE PRODUCT HAS NO PLAY VALUE

TO ASSEMBLY:

1. Carefully remove all parts from the box and remove all plastic covering.
2. Attach the light to the wall and choose a desired height and drill 3 holes in the wall for the drywall anchors (A).
3. Align the sconce with the holes in the wall and secure it using the screws (B).
4. Plug into proper electrical outlet and test the light.
5. Installation is complete.

CARE INSTRUCTIONS:

To clean, use a soft cloth only. Do not use polishes or cleaners on your lamp.
