features

A vintage bench from Sweden inspired our collection. It is defined by the simplicity of classic turned-wood spindles and enhanced by rich – yet subtle – details that include beaded edges, a sculpted top rail and delicate turned-wood legs.

- Vintage grey finish
- Finish is carefully distressed, including worn edges, using a hand-applied 15-step process to achieve the look of a weathered antique
- Handcrafted of kiln-dried hardwood with fine veneers
- Given its hand-finished nature and natural variations in the wood grain, each item is unique and no two will be exactly alike
- Changing table fits our standard changing pad with space for supplies
- Changing table is equipped with 2 fixed shelves that accommodate our baskets and bins

crib

- Stationary sides
- Converts to a toddler bed with our simple conversion kit (sold separately)
- Hidden hardware, 3 height settings and scissor springs beneath the mattress support for easy adjustability and superior support
- Our cribs are designed and engineered to the highest safety standards. In addition to our own superior level of safety standards that meet or exceed those set by the Consumer Product Safety Commission and American Society for Testing and Materials, each crib undergoes rigorous testing by independent laboratories for compliance with all US and Canadian crib regulations.

care

Wipe with a soft, dry cloth. Avoid direct sunlight and heat to protect the wood finish.
