features

The streamlined, neo-classically inspired design of our Emelia Collection finds its feminine grace with tapered legs, fluted carving and floral accents.

- Available with Vintage Natural, French Grey or Aged White finish
- Vintage natural is finished by hand using an intense multi-step process resulting in an aged patina. A subtle glaze is applied to highlight the wood's grain.
- Handcrafted of kiln-dried hardwood with fine veneers using tongue-and-groove joinery
- Gently worn edges
- Oval hardware has an antique pewter finish
- Glides and adjustable levelers on feet
- Handcrafted with meticulous care
- Given its hand-finished nature and natural variations in the wood grain, each item is unique and no two will be exactly alike
- Nightstand has one drawer and open shelf for bedtime essentials
- Dressers have English-dovetailed drawers with dust panels, tip rails and wood-on-wood glides
- Dresser doubles as a changing station with the addition of our topper (sold separately)
- Changing Table includes removable topper with felt on the bottom; remove topper to convert changing table to a bookcase
- Changing Table has slide-out trays on both ends to keep supplies within reach
- Changing Table has one adjustable shelf that holds three of our Small Shelf Storage Baskets (sold separately)
- Bookcase has two adjustable shelves that accommodate our shelf storage, plus one drawer
- Given the furniture's hand-finished nature and natural variations in the wood grain, each item is unique and no two are alike

cribs

- Available in Panel or Sleigh styles; both convert to charming toddler beds using our conversion kits (sold separately)
- Stationary sides
- Cribs feature hidden hardware, four height settings (three for panel style) and scissor springs beneath the mattress support for superior durability and easy adjustability
- Sleigh crib features graceful curved sleigh with floral rosettes at the corners
- All of our cribs are tested to the highest safety standards. Each crib undergoes rigorous testing by independent laboratories for compliance with current ASTM (American Society for Testing & Materials) crib safety standards, and all of our cribs meet or exceed these requirements.

beds

- Available in Panel or Sleigh styles
