features

Our Jameson Collection pays homage to turn-of-the-century design, with classic architectural detailing, rustic cast-brass hardware and bun feet. Finished by hand in a distressed aged white using a 6-step process, with rubbed edges and a soft grey patina

- Aged white finish
- Handcrafted of kiln-dried hardwood with fine veneers, constructed with mortise-and-tenon joinery
- Hand-carved dentil detail and crown molding
- Rustic cast-brass hardware
- Nylon glides on feet
- Given the hand-finished nature and natural variations in the wood grain, each item is unique and no two will be exactly alike
- Dressers feature English-dovetailed drawers, wood-on-wood glides and dust panels
- Dresser and Wide Dresser double as changing stations with the addition of our Toppers (sold separately); top drawer is detailed with decorative keyhole (Dresser only)
- Toppers include protective velvet bottoms and secure with metal brackets
- Bookcase features 3 adjustable shelves that accommodate our baskets and bins (sold separately)
- Armoire has a removable clothing rod and 2 adjustable shelves; doors open wide for easy access; back has cord cutout for use as a media center

crib

- Stationary sides
- Converts to a toddler bed with our simple conversion kits (sold separately)
- Hidden hardware, 3 height settings and scissor springs beneath the mattress support for superior durability and easy adjustability
- Our cribs are designed and engineered to the highest safety standards. In addition to our own superior level of safety standards that meet or exceed those set by the Consumer Product Safety Commission and American Society for Testing and Materials, each crib undergoes rigorous testing by independent laboratories for compliance with all US and Canadian crib regulations.
