features

Our Jameson Collection pays homage to turn-of-the-century design, with classic architectural detailing, rustic cast-brass hardware and bun feet. Distressed painted finish is created using a meticulous multistep process including worn areas that impart the natural patina of an antique.

- Antiqued black finish
- Handcrafted of kiln-dried hardwood with fine veneers
- Hand-carved dentil detail and crown molding
- Rustic metal hardware
- Nylon glides on feet

- Given the hand-finished nature and natural variations in the wood grain, each item is unique and no two will be exactly alike
- Nightstand has 1 English-dovetailed drawer with a wood-on-wood glide
- Dressers and Desk feature English-dovetailed drawers, wood-on-wood glides and dust panels
- Dresser and Wide Dresser double as changing stations with the addition of our Toppers (sold separately); top drawer on Dresser is detailed with decorative keyhole
