features

Inspired by an antique Directoire-style daybed, this collection was created using all the design details of the original. Jourdan's stylized ornamentation and geometric motifs are hallmarks of French Directoire style – a return to classical forms of order and symmetry that lend a feeling of simplicity and strength.

- Antiqued charcoal brown finish is achieved by hand with an 8-step process that highlights the beauty of the wood grain. Each piece is distressed and worn along the edges for timeworn appeal
- Handcrafted with meticulous care. Given its hand-finished nature and natural variations in the wood grain, each item is unique and no two will be exactly alike
- Handcrafted of kiln-dried hardwood with fine veneers using mortise-and-tenon joinery
- Corner posts are adorned with concentric oval carvings and finished with tulip bun feet

- Nylon glides on feet
- Nightstand, Dressers and Bookcase hardware finished in aged brass
- Nightstand has an open shelf that holds bedside essentials; features 1 English-dovetailed drawer with wood-on-wood glides
- Dresser features 3 English-dovetailed drawers, Wide Dresser has 6; wood-on-wood glides, dust panels and tip rails
- Wide Dresser doubles as a changing table with addition of Topper (sold separately)
- Bookcase features 1 English-dovetailed drawer with wood-on-wood glides and 2 adjustable shelves that accommodate our baskets and bins
- Armoire functions as a wardrobe with removable clothing rod and 2 adjustable shelves; back has cutout for optional use as media center
