features

Kenwood's planked panels borrow from the vernacular architecture of old American barns. The driftwood finish has silver accents, distressed and softly worn at the edges, for an aged, warm character.

- Driftwood finish
- Handcrafted of solid kiln-dried American pine with pine veneers
- Constructed using mortise-and-tenon and tongue-and-groove joinery
- Given its hand-finished nature and natural variations in the wood grain, each item is unique and no two will be exactly alike
- Nightstands, Dressers and Bookcases feature solid pine tops and planked sides
- Iron hardware has a matte finish
- Nylon glides on feet

- English-dovetailed drawers, wood-on-wood glides and dust panels
- Nightstand has 1 adjustable shelf
- End-of-Bed Chest features 1 deep drawer designed to look like 2 drawers
- Dresser doubles as a changing station with the addition of our Topper (sold separately); Topper includes a protective felt bottom and secures with metal brackets
- Bookcase features 2 adjustable shelves that accommodate our baskets and bins
- Tall Bookcase features a roomy storage bin and 3 adjustable shelves that accommodate our baskets and bins
- Desk has a drop-down front drawer for optional use as a keyboard tray with a cord cutout in back; bottom right drawer accommodates hanging files
