**features**

Inspired by antique Danish furniture design, our handcrafted collection is detailed with a serpentine front panel and a beautifully carved apron that lend a certain grace to a young girl's room

- Heavily distressed vintage ecru finish is achieved by artisans to replicate the look of an antique find using a multistep process. Each piece is painted, and then meticulously rubbed away in areas most used over time, revealing the oak wood beneath
- Handcrafted of kiln-dried oak with premium oak veneers using mortise-and-tenon joinery
- Nylon glides on feet
- Cast-metal hardware has a deep bronze finish
- Nightstand and Dresser feature 3 English-dovetailed drawers, wood-on-wood glides, dust panels and tip rails

- Dresser doubles as a changing station with the addition of our Topper (sold separately)
- Dresser Topper has protective felt on the bottom and secures with metal brackets
- This item is handcrafted with meticulous care. Given its hand-finished nature and natural variations in the wood grain, each item is unique and no two will be exactly alike.

**care**

Wipe with a soft, dry cloth. Avoid direct sunlight to protect the wood finish.

**swatches**
