features

A 19th-century daybed crafted in the Directoire style was the design inspiration behind our exquisite Ophelia Alcove Bed. With the original's stately rolled headboards and footboards, intricate carvings and six-sided corona canopy, it lends an unmistakable elegance to a child's room. Our Fontaine Collection exhibits all the hallmarks of the French Directoire style that inspired it, with a return to classical forms of order and symmetry that lend a feeling of simplicity and strength. A gilded parchment finish that lends a rich patina of faded elegance highlights its stylized diamond carvings.

- Gilded parchment finish with accents in an aged metallic luster
- Crafted of kiln-dried hardwood with fine veneers
- Nightstand features 1 English-dovetailed drawer and open shelf
- Dressers have wood-on-wood glides, dust panels and tip rails
