features

A wood frame inspired by intricately detailed Louis XVI furnishings transforms the understated elegance of natural cane panels into something far more grand.

- Heirloom white finish
- Crafted of kiln-dried hardwood with fine veneers
- Carefully distressed using a hand-applied 11-step process designed to achieve the look of a timeworn antique
- Given its hand-finished nature and natural variations in the wood grain, each item is unique and no two will be exactly alike

crib

- Natural woven cane panels on exterior ends
- Stationary sides
- Converts to a toddler bed with our simple conversion kit (sold separately)
- Hidden hardware, 3 height settings and scissor springs beneath the mattress support for easy adjustability and superior support

Our cribs are designed and engineered to the highest safety standards. In addition to our own superior level of safety standards that meet or exceed those set by the Consumer Product Safety Commission and American Society for Testing and Materials, each crib undergoes rigorous testing by independent laboratories for compliance with all US and Canadian crib regulations.
