(The Toggle Screws and Toggle Anchors are meant for drywall only)

A	Hand-Carved Rococo Leaner Mirror	1 pc.
B		Toggle Screw 10 pcs.
C		Toggle Anchor 5 pcs.
D		Hangman Wall Bracket 1 pc.
E		Level 1 pc.
F		Tag 4 pcs.
G		Wall Bracket 2 pcs.

ASSEMBLY INSTRUCTIONS

1. Unpack all parts and place them on a protected work surface.
2. Hold product at desired location. With a pencil, mark the top outside corners on the wall. These marks will be used to determine the location of your mounting hangman hardware.
3. Measure down from top of the Rococo Leaner Mirror to the top of both keyhole notches and record these measurements on the wall, using the mark in step 2 as a guide.
4. Measure in from the side of the Rococo Leaner Mirror to the top of both keyhole notches. Again, record these measurements on the wall. Align the two points of your mounting hangman hardware. Use a level to ensure the Rococo Leaner Mirror will be straight.
5. Insert toggle screws into the wall, leaving approximately 1/2 between the back of the toggle screw head and the wall.
6. Align keyhole notches over the toggle screw heads.
7. Slide Rococo Leaner Mirror down until the top keyholes rest on the screws. Tighten or loosen screws as needed to fit the mirror snugly against the wall.
8. If installing the floor mirror, be sure to insert the anti-tip kit on the wall.

**Floor Mirror
Insert this Anti-Tip Kit**

TOOLS NEEDED

Electronic stud finder, #2 "L" Phillips screwdriver, drill with #2 "L" Phillips bit, pencil

CARE INSTRUCTIONS

1. To clean, wipe gently with a soft dry cloth
2. Avoid the use of harsh chemicals or abrasive cleaners as they may damage this finish.

IMPORTANT SAFETY INSTRUCTIONS

This hanging system is meant for drywall/stud mounting only. If walls are concrete, brick or plaster, please consult your local hardware store for assistance. For safety and ease of mounting, we recommend using two people during installation.
