IMPORTANT SAFETY INSTRUCTIONS

- Professional installation is strongly recommended.
- Check with professional to ensure your wall can tolerate a fixture weighing 20 lbs.
- For your safety, it is strongly recommended that two people hang this product
- Predetermine the intended location and fully read these instructions before assembling product.

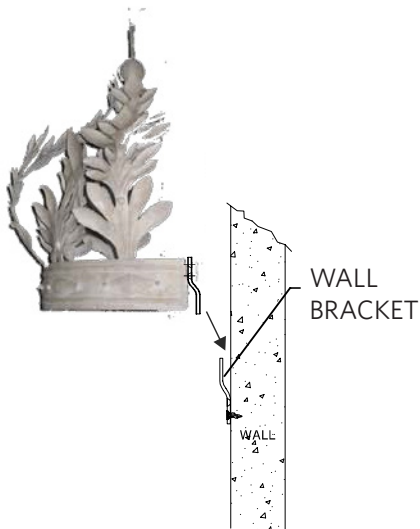

Step 1

Step 2

Step 3

TO ASSEMBLE

- STEP 1:** Locate a vertical stud within your wall using a stud finder. Place the wall bracket on the wall at your desired location for the crown along a stud. Mark the wall bracket location and holes with a light pencil mark. Drill holes over the pencil marks. Screw the plastic anchors into the holes. Screw the wall bracket into the wall with the given screws.
- STEP 2:** Place the crown on a flat surface with the ring in it and tighten the star into the top of the crown turning clockwise.
- STEP 3:** Hang the crown onto the wall bracket according to the image shown in step three.

Thank you for your purchase.
