### ASSEMBLY INSTRUCTIONS

- Bed must be assembled by at least two people.
  - Please read instructions carefully before assembling bed.
  - Use the above parts and hardware list to identify each component.
  - Keep all packing materials until assembly is complete to avoid loss of smaller parts.
1. Stand the Headboard (A) upright and hook the Long Side Rail (B) into the hardware on Corner Board (A) as shown in Diagram I.
  2. Hook the Short Side Rail (C) into the bolts on the Headboard (A) as shown in Diagram II.
  3. Attach the Footboard (D) into hardware on the ends of Long Side Rail (B) and Short Side Rail (C) by following Step 1 as shown in Diagram III.
  4. Place the Panel support (E) evenly into the cleats on bed frame, and use Phillips Screwdriver (not included) to tighten the Screws (1) as shown in Diagram III.
  5. Place Bed Panel (F) on top of the Panel supports (E) to complete the last step of assembly.
