ASSEMBLY INSTRUCTIONS

Note:

- Bed must be assembled by at least two people.
- Please read instructions carefully before assembling bed.
- Use the above parts and fittings list to identify each component.
- Keep all packing materials until assembly is complete to avoid loss of smaller parts.

STEP :

1. Place the Headboard (C) on a flat floor covered with with a protective material to prevent damage to Headboard (C);
2. Stand the Headboard (C) upright and hook Side Rail (A) into Headboard (C) as shown in the Diagram I;
3. Repeat the procedure with the Footboard (B) as shown in Diagram II;
4. Attach the Center Support Slat Foot (F) to the Center Support Slat (D) as shown in Diagram III;
5. Place the Center Support Slat (D) into the "U" shaped wood brackets on Side Rail (A), and tighten with Long Screw (1) as shown in Diagram IV;
6. Place the Slat Roll (E) on the cleats on the inside of Side Rail (A), and attach the ends of the slats to the cleats with Short Screws (2), as shown in Diagram V.
