ASSEMBLY INSTRUCTIONS

Bed must be assembled by at least two people.
 Please read instructions carefully before assembling bed.
 Use the above parts and hardware list to identify each each component.
 Keep all packing materials until assembly is complete to avoid loss of smaller parts.

1. Stand the Headboard (C) upright and hook Side Panels (A) into Headboard (C) as shown in the Diagram I.
2. Repeat the procedure with the Front Panel (B) as shown in Diagram II.
3. Place the Slat (E) into the cleats on the inside of the Headboard (C) and Front Panel (B).
 Screw the ends of the Slats (E) to the cleats using Screw (1), as shown in Diagram III.
4. Lay the Platform Panels (F) flat on top of the Slats (E).
5. Push the Trundle (D) into the Daybed frame, making sure the Trundle (D) front panel is flush with the Daybed Front Panel (B).
