## VINTAGE MODEL AIRPLANE - ASSEMBLY INSTRUCTIONS

This item is intended for decorative use only. This is not a toy.

### PARTS INCLUDED:

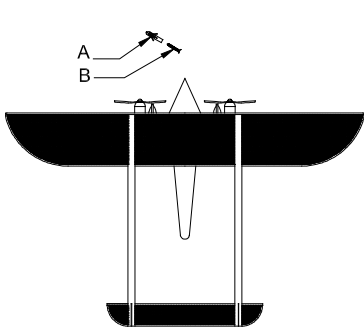

- (1) Wall Anchor (1 PC.)
- (2) Wall Screw (1 PC.)

NO.	ITEM	DESCRIPTION	QTY.
1		Wall Anchor	1 PC.
2		Wall Screw	1 PC.

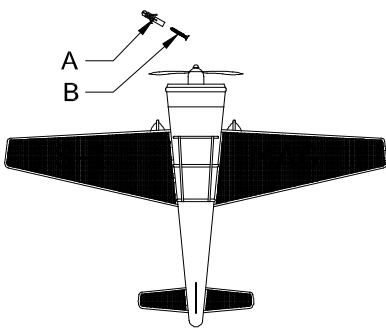

### ASSEMBLY INSTRUCTIONS:

- Carefully remove all parts from the box, and remove all plastic coverings.
- Lay all parts on a soft surface to avoid damaging the finish.
- Drill a hole into the wall that aligns with the hole on the back of the airplane body, and insert wall anchor (1).
- Screw wall screw (2) into anchor, and slide airplane body onto screw.
- Installation is complete.

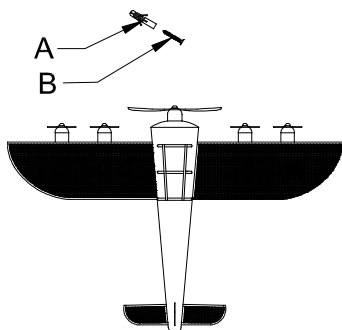

LARGE: (N.W.: about 3 lbs.)

MEDIUM: (N.W.: about 2 lbs.)

SMALL: (N.W.: about 2 lbs.)

### CARE INSTRUCTIONS:

- To clean, use a soft dry or damp cloth.
- Do not use abrasive cleansers, chemical cleaners or metal polishes. The metal body has a protective lacquer finish that could be damaged by chemicals or abrasive cleaning agents.
