**features**

A gently arched frame, solid square posts and round spindles give our crib a classic and versatile sensibility, just like the vintage version that inspired it. An aged white finish has rubbed edges and a soft grey patina, evoking the weathered look of a family heirloom.

- Aged white finish
- Handcrafted of American hardwood with fine veneers

**crib**

- Remove the stationary sides and, with our simple conversion kit (sold separately), the crib converts to a charming toddler bed
- Hidden hardware, 3 height settings and scissor springs beneath the mattress support for superior durability and easy adjustability

- Our cribs are designed and engineered to the highest safety standards. In addition to our own superior level of safety standards that meet or exceed those set by the Consumer Product Safety Commission and American Society for Testing and Materials, each crib undergoes rigorous testing by independent laboratories for compliance with all US and Canadian crib regulations.

**care**

Wipe with a soft, dry cloth. Avoid direct sunlight and heat to protect the wood finish.

**swatches**

Wood swatches are available for purchase online and by calling 800.762.1751.
