features

A space-saving silhouette gets a modern makeover. With its stout corner posts, our inspired collection combines tried-and-true functionality with the best of modern design.

- Sandwashed grey finish
- Handcrafted of kiln-dried spruce with fine veneers
- Finished by hand using an intense multistep process that achieves the authentic texture of time with gently worn edges
- Given its hand-finished nature and natural variations in the wood grain, each item is unique and no two will be exactly alike
- Nylon glides on feet

beds

- Bunk Beds feature solid wood rails with bolt-rail construction
- Bunk Beds feature ladder and guardrails for top bunk; slat roll designed for a mattress on the bottom and platform support for our Low Profile Plush Mattress on top

- Ladder can be positioned on either the right or left side
- Full Loft Bed has an open area below that accommodates a desk, bed or entertainment area; includes adjustable shelving
- Floating Nightstand Platform Bed includes wooden support system and two attached nightstands; requires mattress only
- The Consumer Product Safety Commission recommends that top bunks not be used for children under 6 years of age
