features

Inspired by an antique Directoire-style daybed, this collection was created using all the design details of the original. Jourdan's stylized ornamentation and geometric motifs are hallmarks of French Directoire style – a return to classical forms of order and symmetry that lend a feeling of simplicity and strength.

- Vintage buttercream finish is achieved with a multistep process, has hints of blue-grey accents and is heavily distressed with worn paint and rubbed edges that evoke the look of age
- Handcrafted with meticulous care. Given its hand-finished nature and natural variations in the wood grain, each item is unique and no two will be exactly alike
- Handcrafted of kiln-dried hardwood with fine veneers using mortise-and-tenon joinery
- Corner posts are adorned with concentric oval carvings and finished with tulip bun feet
- Nylon glides on feet
- English-dovetailed drawers, wood-on-wood glides and dust panels
- Nightstand, Dresser and Bookcase hardware finished in aged brass
- Nightstand has an open shelf and 1 drawer
- Dresser features 3 drawers; Wide Dresser has 6
- Dresser and Wide Dresser double as changing tables with the addition of our Toppers (sold separately)
- Low Bookcase features 2 drawers and 1 adjustable shelf that accommodates our baskets and bins
- Bookcase features 1 drawer and 2 adjustable shelves that accommodate our baskets and bins
- Large Bookcase features 4 adjustable shelves that accommodate our baskets and bins
- Armoire functions as a wardrobe with removable clothing rod and 2 adjustable shelves; back has a cord cutout for optional use as media center

cribs

- Crib end panels and Conversion Crib back panel have carved detail at the center and each corner
- Hidden hardware, stationary side rails, 3 height settings and scissor springs beneath the mattress for superior support and easy adjustability
- Converts to a charming toddler bed using our simple conversion kit (sold separately)
- Conversion Crib also becomes a full-size headboard with the addition of our Metal Bed Frame (sold separately)
- Our cribs are designed and engineered to the highest safety standards. In addition to our own superior level of safety standards that meet or exceed those set by the Consumer Product Safety Commission and American Society for Testing and Materials, each crib undergoes rigorous testing by independent laboratories for compliance with all US and Canadian crib regulations.

beds

- Headboard and footboard are adorned with concentric oval carvings and square posts
- Bolt-rail construction with 1 height setting
- Slat-rail mattress support; use with a box spring and mattress or with mattress only
- Recommend the use of a box spring and Low Profile Mattress for our Daybed

care

Wipe with a soft, dry cloth. Avoid direct sunlight and heat to protect the wood finish.
