features

Mirabeau takes its design inspiration from the Directoire style of 18th-century France. Generously distressed antique walnut finish is achieved using a six-step process.

- Distressed antique walnut finish
- Handcrafted of kiln-dried American hardwood with fine veneers
- Softly worn edges for the look of an heirloom
- Ring and tear-drop pulls have an antique pewter finish
- Nylon glides on dresser feet
- Dresser features English-dovetailed drawers, wood-on-wood glides, dust panels, tip rails, and an adjustable shelf in each cabinet
- Dresser doubles as a changing station with the addition of our topper; topper features a compartment for keeping necessities at hand and includes a protective felt bottom and secures with metal brackets

crib

- Remove one stationary side and, with our simple conversion kit (sold separately), the crib converts to a charming toddler bed
- Hidden hardware, three height settings and scissor springs beneath the mattress support for superior durability and easy adjustability
- All of our cribs are tested to the highest safety standards. Each crib undergoes rigorous testing by independent laboratories for compliance with current ASTM (American Society for Testing and Materials) crib safety standards, and all of our cribs meet or exceed these requirements

care

Wipe with a soft, dry cloth. Avoid direct sunlight and heat to protect the wood finish.
