features

Classic repeating arches and a unique mix of metals give our crib its nostalgic sense of style. Inspired by an antique original, this heirloom-in-the-making makes a sweet first bed for the newest arrival.

- Distressed white or distressed antiqued grey finish
- Crafted of wrought iron with contrasting brushed brass-finished accents
- Exquisitely hand-finished by artisans
- Stationary sides and 3 easily adjustable mattress platform height settings

- Our cribs are designed and engineered to the highest safety standards. In addition to our own superior level of safety standards that meet or exceed those set by the Consumer Product Safety Commission and American Society for Testing and Materials, each crib undergoes rigorous testing by independent laboratories for compliance with all US and Canadian crib regulations.
